**NOTE:**

- All MBA Candidates must have 30 semester hours of graduate work beyond the CPC.
- Six of the 36 units may be used to satisfy a portion of the CPC. Depending upon the particular CPC subject area, credit may be given by test, experience, or course work. Course work may be at the graduate or undergraduate level, except for the Comprehensive / Integrating Experience, which must be taken at the graduate level. Credit based on experience will depend on the judgment of your advisor and the department chair.
