School of Architecture Curriculum Workgroup

1. Workgroup reviews curricular issues in the School of Architecture. Decisions are brought to the Dean and to the faculty for comment and approval.

2. Members consist of:
   - Chairs
   - Assistant Chair(s)
   - Associate Dean
   - 2-3 faculty volunteers

3. Workgroup Chair is elected annually from among Workgroup members.

4. The Workgroup meets at least once a month, or as required.

5. Responsibilities include:
   a. Review of articulation agreements
   b. Establishing portfolio review standards
   c. Review of fast-tracking policies
   d. Review of curricular issues including curriculum sequence
   e. Review new / modified course offerings before submission to University Curriculum Committee
   f. Integration of modified General education
   g. Providing curricular input into Master Academic Plan

6. A member of the Workgroup is elected each year to coordinate final decisions and changes with the Registrar’s office and submit modifications for Curriculum Committee and EPC approval.
