Schedule a tutoring appointment today at woodbury.mywconline.net.

---

As a new freshman, I did not know how much the APM program would help. Thankfully, Evelyn recommended me a mentor that helped me manage my time, which made the transition a lot smoother.

—**Cecilia Herrera**, 2014
what is an academic peer mentor?

An academic peer mentor is a junior, senior, or graduate academically advanced student who will meet with you weekly to offer you mentoring or peer advising to assist you in achieving academic success throughout the semester.

what is a tutor?

A tutor is a highly qualified student trained to tutor other Woodbury students in a specific subject area. Tutors are available by appointment as well as during select drop-in hours in the Whitten Student Center.
