

WOODBURY UNIVERSITY GRADSPEAK2017

Interested in being the featured student speaker at Graduation?

Speech outlines should convey how your Woodbury experience made a difference in your lives and the lives of others. **Your speech MUST focus on one of the four core attributes of a Woodbury experience below:**

1 | Design Thinking

Developing the ability to imagine a new world and the confidence to create an impact and make a difference

2 | Civic Engagement

Creating stronger communities through active communication, participation and the desire to produce impactful change

3 | Entrepreneurship

Fostering a culture of creativity, innovation and opportunity, for yourself and for your community

4 | Transdisciplinarity

Harnessing the creative power of multiple perspectives and building community by bridging diverse experiences
