Optional Practical Training (OPT) for F-1 Visa-Holders

For 12 months of work experience directly related to your major field of study after graduation, you may apply for Optional Practical Training (OPT). The U.S. Citizenship and Immigration Services (USCIS) authorizes OPT. You can apply for OPT authorization after each degree level (B.A./B.S. or M.A./M.S. or Ph.D.) you complete in the U.S.

OPT application requirements:
- Maintained your F-1 status for 9 consecutive months
- Have been under the same degree level for 9 consecutive months
- You can apply between 90 days before your program end date and up to 60 days after your program end date

Note: Students in the Transition English Language Program (TELP) are not eligible for OPT.

Applying for OPT:
- OPT requires an Employment Authorization Document (EAD) from USCIS, and it can take months to receive your EAD. You must receive your EAD card from USCIS before you can work either on or off campus once you graduate.
- The start date for OPT must be within 60 days of your program end date. Discuss your options with an International Student Advisor. (Make an appointment by calling (818) 252-5265).

Maintaining status during OPT:
- Keep your address updated by (a) informing an International Student Advisor each time you move (Students subject to Special Registration requirements must also submit address updates as instructed by USCIS) Form AR-11 is available from the USCIS website
- Have an International Student Advisor sign your I-20 for travel if you plan to leave the U.S. and return while on OPT.
- Inform an International Student Advisor if you
  a) stop or change employment,
  b) leave the U.S. permanently, or
  c) decide to return to school.
  We must notify USCIS of such changes for you to remain in status.
- Find employment within 90 days of employment start date shown on EAD card.

OPT is automatically terminated if you do either of the following:
- Transfer to another college or university, or
- Begin a new degree program
- Leave the U.S. permanently
